

Primary Grades Instructional Data (10 point option)

Subject: Reading

Goal: Vocabulary

Database last updated with additional data statements on 2/15/2008

141 - 150	Skills and Concepts to Enhance (73% probability*)	151 - 160	Skills and Concepts to Develop (50% probability*)	161 - 170	Skills and Concepts to Introduce (27% probability*)
-----------	--	-----------	--	-----------	--

Base Words, Prefixes, Suffixes

157 Finds a prefix that completes a word in a given sentence (in-; all text read aloud and shown)

Compound Words, Contractions

146 Identifies the words that create a given contraction (I'm; contraction read aloud and shown)

151 Matches a compound word to given picture words (all text read aloud and shown)

162 Identifies a compound word within a sentence (all text read aloud and shown)

155 Identifies the words that create a given contraction (they've; contraction read aloud and shown)

162 Identifies the compound word within a sentence (all text read aloud and shown)

156 Identifies the contraction for given words (we'll)

162 Identifies the words that create a given contraction (you're; contraction read aloud and shown)

156 Identifies the word that is a compound word (four words given; all text read aloud and shown)

163 Identifies the contraction for a given word

159 Identifies the contraction for given words (all text read aloud and shown)

163 Identifies the words that create a given contraction (I'd; contraction read aloud and shown)

159 Matches two words to a given compound word (all text read aloud and shown)

164 Discriminates among words to select the word that is a contraction

164 Matches a compound word to given picture words (all text read aloud and shown)

164 Matches words to given words (compound words; all text read aloud and shown)

165 Identifies the contraction for given words (you've)

165 Identifies the words that create a given contraction (isn't; contraction read aloud and shown)

165 Infers the word that best completes a given sentence (compound word; all text

* At the range mid-point, this is the probability students would correctly answer items measuring these concepts and skills.

141 - 150

Skills and Concepts to Enhance
(73% probability*)

151 - 160

Skills and Concepts to Develop
(50% probability*)

161 - 170

Skills and Concepts to Introduce
(27% probability*)

read aloud and shown)

166 Identifies the contraction for given words (all text read aloud and shown)

166 Identifies the words that create a given contraction (shouldn't; contraction read aloud and shown)

168 Identifies the words that create a given contraction (hasn't; contraction read aloud and shown)

169 Finds the word that will complete a compound word (all text read aloud and shown)

169 Identifies the word that is a compound word (four words given; all text read aloud and shown)

170 Identifies the words that create a given contraction (contraction read aloud)

170 Identifies the words that create a given contraction (I've; contraction read aloud and shown)

Content Vocabulary and Context Clues

141 Identifies a word based on a given definition (all text read aloud)

146 Infers the meaning of a word within a given sentence (one syllable word; all text read aloud and shown)

149 Infers the subject that completes a given sentence (beginning of a sentence; semantics and syntactical cues; all text read aloud and shown)

154 Infers the word that completes a given sentence (semantic and syntactical cues; all text read aloud and shown)

157 Infers the meaning of a word within the context of a given sentence (three syllable word; all text read aloud and shown)

162 Infers the meaning of a homonym within a given sentence (cast; all text read aloud and shown)

162 Infers the meaning of a word within a given sentence (two syllable word; all text read aloud and shown)

165 Infers the subject that completes a given sentence (middle of a sentence; semantics and syntactical cues; all text read aloud and shown)

Sight Words

142 Identifies a given sight word (it)

143 Identifies a given sight word (funny)

145 Identifies a given sight word (big)

147 Identifies a given color word (blue)

153 Identifies a given sight word (find)

* At the range mid-point, this is the probability students would correctly answer items measuring these concepts and skills.

141 - 150 Skills and Concepts to Enhance
(73% probability*)

151 - 160 Skills and Concepts to Develop
(50% probability*)

161 - 170 Skills and Concepts to Introduce
(27% probability*)

147 Identifies a given sight word (are)

148 Identifies a given sight word (all)

148 Identifies a given sight word (will)

150 Identifies a sight word in a given sentence (don't)

Synonyms, Antonyms, Homonyms, Homographs, Homophones

150 Matches words that have opposite meanings (antonyms; all text read aloud and shown)

154 Matches a definition to a word in a given sentence (all text read aloud and shown)

161 Identifies a homophone to complete a given sentence (two; semantic cues; all text read aloud and shown)

155 Matches words that have opposite meanings (antonyms; all text read aloud and shown)

162 Matches words that have opposite meanings (antonyms; all text read aloud and shown)

157 Identifies a homophone to complete a given sentence (here; semantic cues; all text read aloud and shown)

163 Identifies a homophone to complete a given sentence (chews; semantic cues; all text read aloud and shown)

158 Identifies a homophone to complete a given sentence (to; semantic cues; all text read aloud and shown)

163 Identifies a homophone to complete a given sentence (know; semantic cues; all text read aloud and shown)

159 Identifies a homophone to complete a given sentence (blew; semantic cues; all text read aloud and shown)

163 Identifies a homophone to complete a given sentence (right; semantic cues; all text read aloud and shown)

159 Matches a picture word to a given word (opposites; antonyms; all picture words and text read aloud)

163 Identifies a homophone to complete a given sentence (write; semantic cues; all text read aloud and shown)

159 Matches words with the same meaning (small; synonyms; all text read aloud and shown)

163 Matches words with the same meaning (synonyms; all text read aloud and shown)

160 Identifies a homophone to complete a given sentence (roll; semantic cues; all text read aloud and shown)

167 Finds the pair of words that are synonyms (all text read aloud and shown)

160 Matches words with the same meaning (synonyms; word given; all text read aloud and shown)

167 Identifies a homophone to complete a given sentence (choose; semantic cues; all text read aloud and shown)

167 Infers the word that best completes a sentence (synonyms; word given; all text read aloud and shown)

168 Identifies a homophone to complete a given sentence (hear; semantic cues; all text read aloud and shown)

* At the range mid-point, this is the probability students would correctly answer items measuring these concepts and skills.

141 - 150

Skills and Concepts to Enhance
(73% probability*)

151 - 160

Skills and Concepts to Develop
(50% probability*)

161 - 170

Skills and Concepts to Introduce
(27% probability*)

168 Identifies a homophone to complete a given sentence (role; semantic cues; all text read aloud and shown)

* At the range mid-point, this is the probability students would correctly answer items measuring these concepts and skills.
