Empowerment Campaign**

“to Reduce and Prevent Youth Violence”

Application deadline 05 /01/08

Christopher Errol Patrick Rose

AKA

“Rosey”

November 24, 1989-July 2, 2005

It is with fond memories and grateful hearts that we remember our dearly beloved Christopher, an honorable young man whose faithfulness and loyalty to his friends was an exemplary aspect of his character. Although only fifteen years old, he had already committed his life to Christ and as expected of most teens, successfully struggled to maintain the high standard of morality, behavior, and purity that is still required for a Godly youth.

“Let no one despise you because of your youth.....”

I Timothy 4:12

He was electronically inclined and wanted to pursue a career in robotics.

“Stir up the gift that is in you...”

II timothy 1: 6-

He loved his friends and his family, was always there for them, and eager to volunteer to help.

“Love has none greater than this, That a man would lay down his life for his friends.” I John 15:13

LOVE

He was so patient never raising his voice

He was so kind always choosing the lesser choice.

LOVE is patient, LOVE is Kind....

He was always so humble and willing to help

He was never a show off and thinking of only himself.

It does not envy, It does not boast, It is not proud...

It was rare to see him angry, he took everything in stride

His heart was always open; he never harbored anything inside.

It is not easily angered; it keeps no record of wrongs.

He had a good heart and was honest in all he did

Anywhere there was evil you would not find this kid

LOVE does not delight in evil, but rejoices with the truth.

On July 2nd 2005 he proved to all his peers

LOVE protects, trusts, hopes, and perseveres,

When I think about it and cast my eyes above

The Holy Spirit tells me Christ was the purest form of LOVE.

Our hope is that this scholarship will be used to empower young people to pursue and achieve their goal through vocational and or higher education. We hope this gift will benefit the most suitable intended target and fulfill its purpose.
