

Safari Montage Video Streaming Portal

To access Safari Montage go to <http://safari.cliu.org/SAFARI/montage/login.php>

Choose East Stroudsburg Area School District under the district drop down menu, then your school. Enter your firstname-lastname and password (which you use for Lightspeed, Moodle, and Email), then click on log-in.

You will be taken to the home page of Safari Montage, called the Dashboard. Here you can create playlists in addition to searching for content by a variety of ways: general search, by subject or by PA State Standards.

The screenshot shows the Safari Montage Dashboard in a Mozilla Firefox browser window. The browser's address bar displays the URL: <http://209.18.54.238/SAFARI/montage/dashboard/dashboard.php>. The dashboard header includes the logo for SAFARI MONTAGE, the text "East Stroudsburg Area School District", and a user profile for "brian borosh" with a "log out" link. A navigation menu contains links for "Dashboard", "Search", "Subjects", "Standards", "Playlists", "Modules", "Preferences", and "Help".

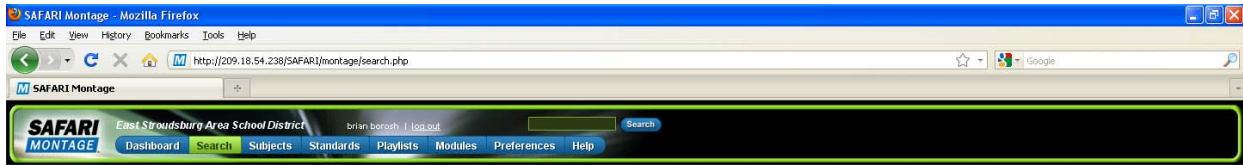

On the left side, there is a tutorial box with the text: "Click the  button next to the item you wish to view." Below this is a "TUTORIAL" button.

The main content area is divided into several sections:

- My Playlists:** Includes tabs for "My Playlists", "School Playlists", and "District Playlists". A message states: "You have no playlists saved." Below this, it explains: "This panel shows your recently viewed playlists. Your playlists may contain videos, chapters within videos, key concepts within chapters, as well as your bookmarked video segments."
- My Media:** Includes a "School News" tab. It lists several video items with play button icons, duration, and search icons:
 - EyeWitness: Bear (28 min 37 sec)
 - All About the Moon (24 min)
 - World War II (32 min 13 sec)
 - U.S. Politics 1960-1980 (26 min 16 sec)
 - American President: Family Ties, The (57 min 46 sec)
- Received Content:** A message states: "There is no new media available." Below this, it explains: "This panel lists media that has recently arrived on this server from remote SAFARI Montage servers. Look here for your completed media transfers from other servers."

At the bottom of the dashboard, there is a footer with the text: "SAFARI Montage © 2005-2010 Library Video Company. All Rights Reserved." In the bottom left corner, there is a logo for "SAFARI HD Network" and a link: "Have a comment or question? Join Our User Community!". The browser's status bar at the very bottom shows the URL: <http://209.18.54.238/SAFARI/montage/dashboard/content.php?#u-tabs-26>.

Search Tips

Capitalization
Keyword searches are not case-sensitive. Capitalization does not matter. Searching for *civil war* is the same as searching for *Civil War*.

AND Searches
A space between keywords is equivalent to the word *and*. For example, entering the phrase *civil war* is like saying, "Show me all the videos that contain the words *civil* and *war* (but not necessarily next to each other)."

Phrase Searches
To search for an exact phrase, enclose the phrase in quotation marks. For example, entering the phrase "*civil war*" will display videos that contain the phrase *civil war* exactly as it appears between the quotes.

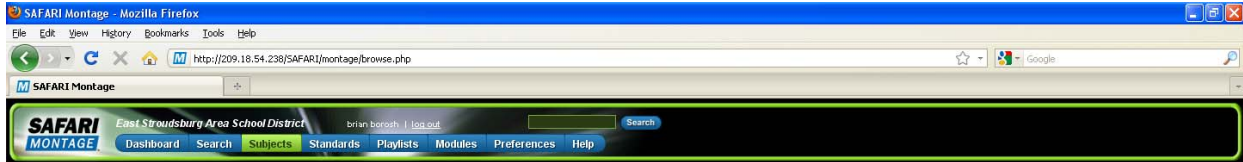

Combinations
The above methods can be combined to help refine your results. For example, a phrase search can be combined with a keyword search by entering "*civil war*" *lincoln*. This would display all titles that contain the phrase *civil war* and the keyword *lincoln*.
