Pink Ribbon Team

This year, the East Stroudsburg Area School District has organized a Pink Ribbon Team in an effort to unite and show our support for the Susan G. Komen Foundation in the fight against breast cancer.

Smithfield Summer STEAM-R Students at Smithfield Elementary had the opportunity to participate in the school's summer STEAM-R program.

# WELCOME to the Sapphire Suite

Sapphire Suite

The Sapphire Suite is a web-based, state-of-the-art administrative tool designed by K12 Systems.

The various modules in the Sapphire Suite allow school administrators, teachers, nurses, office staff, and parents to interact more closely with student information, giving them access to students' progress and school activities anytime and anywhere they have access to the internet.

Click on a product image on the right to get started.

We hope your experience with Sapphire Suite is a pleasant one.

### Sapphire Community Web Portal User Agreement

The Sapphire Community Web Portal ("Portal") is intended to provide a safe and secure environment for the East Stroudsburg Area School District community to communicate easily and effectively with parents, students and school district employees. The Portal is made available to all students, parents, and school district employees and will provide qualified users with a variety of services.

The smooth operation of the Portal relies in part on the proper conduct of the users who must adhere to strict guidelines administered by K12 Systems, Inc. and the East Stroudsburg Area School District. The District's Acceptable Use Policy and the guidelines outlined below must be followed. Efficient, ethical, and legal utilization of the portal resources are required. Parents and students will adhere to the laws, policies, and rules governing the Portal including, but not limited to, the District's Acceptable Use Policy, copyright laws, rights of software publishers, license agreements, and student rights of privacy created by federal and state law, District rules, policies and agreements, and Internet service provider agreements.

In response for the privilege of accessing the East Stroudsburg Area School District Community Web Portal, every parent/guardian is expected to act in a responsible, ethical and legal manner. Parents are required to adhere to the following guidelines:

### Requirements:

- Parents will not share their user identification, password(s) and Personal Identification Number (PIN) with anyone.
- Parents will not attempt to harm or destroy data of their own children, of another user, or school or district network.
- Parents will not use the Community Web Portal for any illegal activity, including the violation of data privacy laws. Anyone found to be violating laws may be subject to civil and/or criminal prosecution.
- 4. Parents will not access data or any account owned by another user. All student information must be collected, maintained, used, disclosed, and re-disclosed in compliance with all privacy laws, rules, policies and orders.
- A parent who identifies a security problem(s) with the Portal must notify the Director of Technology's office immediately, without demonstrating, discussing, or sharing in any way the problem(s) to anyone else.
- Parents who are identified as a security risk to the Portal may be denied its use, and/or be disciplined on a case-by-case basis pursuant to the District's Acceptable Use Policy, and other District policies, rules and agreements.

### Initial Information that will be posted on the Community Web Portal by the district:

- Homeroom Attendance
- · Current Student Schedule
- · Mid-term Progress Report
- · Report Card
- · Special district and building announcements

### Information that may be posted on the Community Web Portal voluntary by the employee:

- . Daily grades for current classes (Voluntary.)
- · Homework Assignments (Voluntary)

### Other Information:

- \*\*\*Your computer must meet or exceed the minimum following requirements.
  - System Requirements:
    - a. Internet Connection-56k modern speed or greater
    - Browser: Internet Explorer 5.5+(PC Only) or Netscape, Firefox or Safari with 128 bit encryption
    - c. A monitor with at least 800X600 resolution
  - . Security Features of the Community Web Portal
    - If you leave the Community Web Portal Web Browser open and inactive for a period of time you will be automatically logged off.
    - When you are ready to end your Community Web Portal session make sure you click the "Log Off" button.
- . District Contact Information:
  - a. Telephone help with the District Technology Office is available from 8:00 a.m. to 4:00 p.m. school days. You may also send an E-mail to: dawn-carmeci@esasd.net Please include your name, your user id, your telephone number and a brief description of the problem in your e-mail request for help.
  - b. If for any reason you should need to contact a classroom teacher, you may call your child's school or you may post a question through the Community Web Portal.

You will receive an email when your Community Web Portal User Account is sure to check your spam filter if necessary.
